**Lincoln's funeral march composed by Mr. Jas. Fischer, organist of Emanuel's Church of this city, has just been published. It is pronounced by a great many musicians superior to any other of the funeral marches composed in commemoration of our late President. For sale at Fischer's Music Store, Main street.**

**GREAT FURNITURE SALE.—On next Thursday morning, at 9 o'clock, C. P. Huber & Son will sell all the household furniture of Dr. H. Langston, at his residence on the North side of Third street, West of Perry.**

**ATLANTIC AND GREAT WESTERN RAILROAD.—By a notice in our advertising column, it will be seen that the trains on this road have commenced their regular trips between Cincinnati and New York. The first passenger train left Cincinnati at 8 A. M., yesterday morning, making the following connections:**

At Hamilton, with the Eaton and Richmond Railway.

At Dayton, with the Dayton and Michigan, and Indiana Central, and D. & W. Railroads.

At Springfield, with the Sandusky, Dayton and Cincinnati Railroad.

At Urbana, with the Columbus and Indianapolis Railway, T. H. R., and St. Louis Alton and Terre Haute Railway.

At Galion and Marion, with the Bellefontaine Railway, T. H. & R., and St. L. A. & T. H. Railroads.

At Mansfield, with the Pittsburg, Fort Wayne and Chicago Railway, and Sandusky, Mansfield and Newark Railway.

At Akron with the Cleveland, Toledo, and Cincinnati Railway.

At Clarksville, with the Erie and Pittsburgh Railway.

At Meadville, with the Franklin and Oil City Branch.

At Coey, with the Oil Creek Railway.

At Salamanca, with the Erie Railway.

We are gratified to record the opening of this important railroad enterprise. It is destined to be the great thoroughfare of travel and transportation East and West, and we have no doubt that it will be taxed to its utmost capacity to accommodate the immense amount of business that will crowd upon it.

The advertisement, in another column, gives the time of the departure of trains from Dayton, East and South.

**GRAND AND NOVEL EXHIBITION.—On Thursday, Friday and Saturday evenings of this week, Messrs. Hooley, Vaughn & Co. will exhibit to the citizens of Dayton, at Beckel Hall, their magnificent historical painting, entitled the "Polemorama of the America Rebellion."**

This splendid work of art surpasses, in every respect, the common order of exhibitions which have so often heretofore been presented to the public. It is a true and faithful representation of the scenes presented, painted from sketches taken at the times and places of their occurrence.

Among the principal scenes given, are "The City of Charleston and surrounding Fortifications"—"Bombardment of Fort Sumter"—"Burning of the Norfolk Navy Yard"—"Battle of Bull Run"—"Commodore DuPont's Great Naval Expedition"—"Broadway N. Y. Illuminated"—"Bombardment of Fort Donelson"—"Invasion of Maryland"—"Battle of Gettysburg"—"The Siege of Vicksburg"—"Evacuation of Charleston"—"Reception of President Lincoln by the People of Richmond"—"The Assassination of the President by Booth"—and a Grand Allegorical Tableau of the deceased President lying in State."

These are the principal scenes in the exhibition, the last named four of which were painted in Dayton, by Mr. E. S. Fasset, an eminent artist from New York city, who was engaged expressly for that purpose.

Through the courtesy of the proprietors, we have examined this large and magnificent work of art, and we do not hesitate to recommend it to our citizens as an exhibition of highest merit and in all respects worthy of their attention. It ought to be liberally patronized, and no doubt will be. Matinee on Saturday afternoon, at two o'clock. Admit one ten cents. Tickets for sale at the Sewing Machine and Music Store of Sumner & O'Kane, Third street.

**Carriage Painters Wanted at W. W. Phillips shop on Fourth street.**

**CARRIAGES AND BUGGIES.—For Carriage and Buggies, go to J. Langdon & Brother, No's. 13 and 15 East Fourth street, Dayton.**

**WANTED—Carriage Wood-workmen and Blacksmiths wanted. Places were given to both Master and Servant at W. W. Phillips old shop.**

**JOHN BULL'S BARKSAPARILLA, BULL'S WORM DESTROYER, SMITH'S TONIC SYRUP.**

### A TRUE STORY.

DIAGNOSED TO THE SICK.

There dwelt in the swamps a pale, bilious man. His muscles were strengthened, his blood was purified, his complexion improved, and the wife of his bosom believed, in her pain, that the husband she worshipped was hopelessly ill. Seeking daily for help, in her wifely devotion, All vainly she tried oil and powder and potion. Till at last, when a pang to grief's wildest emotion, Of HOSTETTER'S BITTERS she heard from a friend.

She purchased the cordial, half hoping, half fearing, A prayer on her lips and a tear in her eye;

And taking his hand, with words kindly and cheering, Brought him the tonic of her care to try.

As he drank, a new life thronged his system seemed stealing.

Each following draught did its mission of healing, Until, strong in health and most grateful in feeling, He told the "true story" here twines into song.

It is also proper to state that the Bitters are sold exclusively in glass, and never, under any circumstances, by the gallon or the barrel. Impostors and imitators are abroad, and the only safeguard the public have against them, is to see that the Bitters they buy have the engraved label and note of hand of Messrs. Hostetter & Smith, and our proprietary stamp over the cork of the bottle.

But few people that have health can appreciate the blessings they enjoy; nor is it supposed that they will place a proper value on it, until they are deprived of it. It is only in the absence of the thing, which we want that we can realize its value. When the blood becomes impure the indications are in the form of sores, pimples, or the virus collected in small knots under the skin upon the lip, of the nose, which are the seeds of scrofulous ulcers, and will sooner or later destroy the system unless some timely remedy is used to restore it. SCOVILL'S BLOOD AND LIVER SYRUP is the most valuable, as it will perfectly the system and restore it to health.

### Roback's Bitters.

These Bitters are composed of materials which, from the extensive experience of the inventor, have been found to prove the most efficacious in removing Biliousness, Jaundice, Fever and Ague, Distangements of the Liver, and all diseases arising from an excess of bile upon the stomach.

Try a bottle and read the advertisement.

**With a Family case of Humphrey's Specifics in your house,**

you may prevent sickness, prevent suffering, prevent expense, and loss of time, or the children having the Measles, or Scarlet Fever, or Whooping-Cough, or even Fever, by using preventives in the case.

HUMPHREY'S HOMEOPATHIC SPECIFIC.

DR. MOTT'S LIVER VEGETABLE PILLS are made from vegetable extracts. This accounts for their superiority over every other Liver or Cathartic Pill offered to the public. These Pills will be preferred to any other after one trial.

No Opium or Calomel.

Most of the popular Cough Remedies contain more or less Opium, which prevents the general use. DR. HALL'S BALSAM, being entirely free from this narcotic poison, will be found not only safe, but highly efficacious in subduing every form of lung disease.

No Toothache Medicine has had half the reputation that DR. TOWNSEND'S INDOX Footache ANODYNE has. It will surely cure toothache in one minute.

DR. BULL'S CEDRON BITTERS will do no harm to any one, if taken properly and in moderation. I see no objection to Dr. Bull's being permitted to dispense of it to others.
